

**Third Rocky Mountain Indexing Conference
Boulder Public Library–Meadows Branch
September 13, 1997, 9:30 am to 3:30 pm**

Please join us for the Third Rocky Mountain Indexing Conference on September 13th at the Meadows Branch Library Meeting Room (4800 Baseline Road, Boulder, CO).

We will host two sessions of face-to-face, moderator-led topical roundtables. These roundtables include an opportunity for give-and-take between participants and moderators who are experienced indexers, authors, and editors.

10:00 am Roundtables begin:
Indexing On-Line Documents
Science Indexing
The Author, the Editor, and the Index

Noon Lunch
We will provide a light buffet, or you may wish to take advantage of the nearby restaurants in the Meadows Shopping Center.

During the lunch break, the Colorado Executive Board will be available to Ask an Indexer about the Chapter, ASI, or people you wish to meet.

1:30 pm Roundtables begin:
Finding Work
Periodical Indexing
Legal Indexing

Registration Fees:

By September 5:	Single Session	\$25
	Double Session	\$45
At the Door	Single Session	\$35
	Double Session	\$55

How to Get There

From Baseline Road, turn south on Mohawk Drive. Pass the first entrance (into the Meadows Shopping Center by Payless Drug) and continue to the second entrance behind the shopping center. Turn left there and follow the driveway to the Library. There will be construction in progress on that corner, but the Library will be accessible.

Finding Work and Indexing On-Line Documents

Lori Lathrop is VP/President-Elect of ASI. She delivers indexing workshops through the Society of Technical Communications and Solutions.

Legal Indexing

Brooke Graves offers complete editorial services in legal, academic, and textbook publishing.

Periodical Indexing

Lisa Lister, a librarian, has been preparing a variety of customized periodical indexes since 1990.

Science Indexing

Sandy Rush provides desktop composition and editorial services. Her background expertise is in mathematics and science.

The Author, the Editor, & the Index

Author William Marquardt is Professor Emeritus of Zoology, Dept. of Biology, Colorado State University, with over 80 publications in that speciality. Editor Jodi Berman worked with authors and freelancers at the University Press of Colorado. Now, as a freelancer, she offers editorial and consulting services.
